Our Programs

PERSONALIZED SUPPORT

We understand that every family has unique needs, and that each child has their own journey.

That's why we pay personalized attention to every situation.

CHILDREN'S HEALTH

We support families by helping them cope with the high costs of specialized care and treatment.

We strongly believe that every child deserves access to health care.

To the therapeutic services necessary to develop fully.

INCLUSIVE EDUCATION

Every student, regardless of ability, has the right to participate fully in educational life.

This includes knowledge acquisition, extracurricular activities and social integration.
